Congrats, [**Firstname**]? Now that your account is all set up—you are enrolled! Let me be the first to officially welcome you to the Freedom Debt Relief family. We couldn't be happier to partner together to help get rid of your debt. How are you feeling?

Know that with us, you have a support team you can count on to get rid of your debt. Dealing with your debt is an important decision and you want to ensure you're working with a company that delivers on its promises so you have confidence when you enroll. Are you excited to start getting rid of your debt, [**Firstname**]?

Now, there are a couple things that are very important for you to understand in order to be successful in this program.

1. Starting today, instead of making monthly payments to your enrolled creditors, your deposit will be automatically made into your Dedicated Account. In your dashboard, go ahead and take a look at the "Dedicated Account" tab. This screen shows your upcoming deposits and the progress you'll make in building up the funds in your Dedicated Account. Do you see that?
2. Our patented technology creates a customized plan to negotiate with each of your creditors at the best time to get you the most savings possible. Go ahead and click on the "Enrolled Debts" tab at the top of the screen. Here, you should see your total enrolled balance and details about each of your enrolled debts. Any questions on this?
3. We plan on restructuring the repayment terms for all of your debts and we try to do that as fast as possible—maximizing your savings and time. By the looks of it, your first two estimated settlements are going to be [1st creditor] and [2nd creditor]. Remember, whenever new terms are ready for your
