### 5. Hover over your name

The screenshot shows the Federal Student Aid website interface. At the top, there's a navigation bar with links for "UNDERSTAND AID", "APPLY FOR AID", "COMPLETE AID PROCESS", "MANAGE LOANS", and a user profile icon labeled "NAME". Below the navigation is a main content area titled "MY AID" featuring a circular chart divided into segments for "Loans" and "Total Balance". To the right of the chart, there are two sections: "UPCOMING PAYMENTS" and "Pay on Servicer Website". On the far right, a vertical dropdown menu is open under the "NAME" link, listing options like "Dashboard", "My Aid", "Enrollment", "Documents", "Settings", and "Log Out".

### 6. Select “My Aid”

This screenshot is similar to the one above, showing the same website interface. However, a thick black arrow points specifically to the "My Aid" option in the user profile dropdown menu. The rest of the interface remains the same, including the "MY AID" chart, "UPCOMING PAYMENTS" section, and the "Pay on Servicer Website" button.

**STUDENT AID TIP**  
It looks like you've recently completed school, withdrawn, or dropped below half-time enrollment. This means that you will soon need to start making payments on your federal student loans.  
You can [use Loan Simulator](#) to explore your repayment options.

**STUDENT AID TIP**  
When your grace period ends, your interest may be capitalized (i.e., added to your principal balance). You may want to consider making an interest payment to lower the total amount you need to repay.
